ANNOUNCEMENTS

DAVIS THEATRE

New Show Tomorrow-Big Bill of Keith Vaudeville and Triangle Plays

For the last half of this week the management of the Davis promise one of the finest all round bills of the senson. The headline attraction will be E. Merian's troup of 50 wonderful Swiss canine actors, amazingly intelligent dogs who appear in a complete pantomimic military pantomime. The Territorials Quartered—a screamingly funny incident of life among the quadruped soldiers of Poedieville. There is the call to arms, the hasty donning of uniforms and arms, the sentries on duty, a military drill, the visit of canine wives and sweethearts to tearfully bid the soldiers farewell, to tearfully bid the soldiers farewell, and many other things. The other vaudeville act is Aivin & Williams, a clover team of entertainers who have a nifty singing offering called Bits From Songland. In the photoplays the chief drawing card will be the one and only Charlie Chaplin, the world-famous comedian, who has made millions of people laugh. But hearty as has been the laughter he has created in the past, it is as nothing to that he makes in this newest farce, One A. M., two reels of solid laughter that will go on record as the comedian's master effort. The story is weven around a visit of Charlis to a friend who is a effort. The story is woven around a visit of Charlis to a friend who is a naturalist, his home filled with all naturalist, his home filled with all sorts of stuffed animals and birds. Charlie goes out to a party, a stag affair, which he leaves after midnight in a happy condition, having imbibed freely of the wine that is red. Arriving at his friend's house, he finds his friend asleep too soundly to be waltened, and the visitor has no key. He manages after many laughable mishaps to get in, and then has innumerable funny experiences. One A. M.

promises to be the big laughing event of the year.

The chief dramatic offering of the bill will be Dorothy Gish in the stirring five-part Triangle drama, The Little School Ma'am, the story of a charming southern girl forced by circumstances to earn her living teaching the district school in a little New Empland village until tealousy stirs England village until jealousy stirs
the scandal mongers against her and
drives her out. Eventually a strong,
fearless youth fights the girl's battle
and compels a righting of the injustice done her.

Mack Swain, the irresistible farcur,

erable funny experiences. One A. M. promises to be the big laughing event

complete the show.

HOW TO REDUCE YOUR WEIGHT

A SIMPLE, SAFE, RELIABLE WAY.

People who are overburdened with superfluous fat know only too well the discomfort and ridicule that over-stout people have to bear.

If you are carrying around five or ten pounds of unhealthy fat you are unnecessarily weakening your vital organs and are carrying a burden which destroys the beauty of your figure.

There is no need of anyone suffering from superfluous fat. If you want to reduce your weight in a simple, safe and reliable way, without soarvation diet or thresome exercise, here is a test worth trying. Spend as much time as you can in the open air, breathed deeply and get from Lee & Osgood or any good drugglist a box of oil of korein capsules; take one after each meal and one before retiring at night.

Weigh yourself once a week so as to know just how fast you are losing weight and don't leave off the treatment or even skip a single dose until you are down to normal.

Oil of korein is absolutely harmless, is pleasant to take, and helps digestion. Even a few days treatment has been reported to show a notlocable reduction in weight, footsteps become lighter, your work seems easier and a lighter and more buoyant feeling takes possession of your whole being.

Every person who suffers from superfluous fat should give this treatment a trial. SIMPLE, SAFE, RELIABLE WAY

the feature at the Breed for today and Thursday. Malcolm Duncan, formerly supporting Harrison Grey Fiske, is with Anna Q. Nilsson and Della Con-nor featured in The Scarlet Road. The Breed will also present The Massacre, a two-reel drama, and Harry Watson in a screamingly funny comedy entitled Hold Fast, completes the bill for today and Thursday,
The Breed concert orchestra is in
attendance at all performances and there are three shows daily. Matin at 2.30, and evenings at 7 and 8.30.

ATOP THE MAJESTIC ROOF Change of Pictures Today-Gay Sisters Making Hit in Cabaret Work

The Gay Sisters, who have been furnishing a very neat little cabaret offer-ing at the Roof the first three days of the week will appear tonight for the last time as tomorrow their place will be taken by a quartette of entertain-ers, including three girls and a man, who will be here for the remainder of the week. The new histories for tolder the week. The new pictures for today include a four-reel drama produced by the Vitagraph company and a single reel Selig comedy. The refreshment tables are being well patronized these warm evenings and the dancing is Mack Swain, the irresistible farceur, in Madcap Ambrose, an upreariously funny two-part Keystone comedy, will complete the show

WHAT THE EXPLORER EATS. No "Roughing It" or "Trusting to Luck" When There's Hard Work Ahead.

Today.

A hangman's noose, dangling from the ceiling, met Harry Tremaine's gaze as he entered his father's hunting lodge in the wilds of Montann whither he had been directed by a letter from his father which accompanied by a bequest of \$200,000, "When you have dissipated tilns fortune, go to my hunting lodge in Montann, break down the cabin door and there you will find a solution of your trouble." Thus wrote the father, and his prophetic judsment proved accurate because the young chap did dissipate quickly, in fast living, the fortune left to him. He then went to his father's hunting lodge and found there awaiting him—a hangman's noose, dangling from the ceiling. Around this is woven an intensely interesting story told in the five-part Kleine phototodrama, The Scarlet Road, which is which, on agcount of being partially cooked, is readily prepared in an at tractive manner, even at high eleva-
